Lawlessness Has Abound!

Greetings in the name of Jesus Christ or Nazareth our savior. Many have concluded that the world is up-side-down. Things are off kilter. Some who behaved in the past are now rogue. This is not good! Neither is it surprising! These days were foretold in your bible. Let us explore!

In response to question about the last days (leading up to the Christ return), Jesus told us that Iniquity shall abound (**Mathew 24:12**). Other translation say "lawlessness" shall abound. Look around us or listen to the news and we can attest to this prophecy. Both, individuals, leaders and organizations are increasingly out of control. This is lawlessness!

Society is adopting to this lawlessness by the laws that are made along with strange behavior patterns. **2 Timothy 3:1-8**, gives a vivid description of these days. Read it for yourself and verify! This world is like the days of Noah. Might seems to be the working principle. It is in this back-drop that God has called us to serve him.

Mathew 28:18-20 and Mark 16:15-18, commissions us to go with the gospel of the kingdom of God. This is good news compared to what is blurred out each day by various entities. The world must hear that there is a better way and it is coming by the hand of God. Too many are lamenting about the conditions as if they don't know the source. Satan the devil is the cause, but Jesus will put an end to his reign soon.

In the meanwhile, we the servants of the most high God shall be a light (**Mathew 5:16**). Yes we are a salt to the earth even while some think we are foolish. Praise God for our shining light. Jesus announced that this good news is preached as a witness (**Mathew 24:14**). In the process, some are converted! Where do you stand? Do you grasp the magnitude of God's plan for mankind? Tread more about it in the article of the kingdom Of God. A more detailed explanation is given.

Proverbs 28:1, tells us that the righteous are as bold as lions. This explains our boldness even in the face of danger. There are some who desire to kill to stop this good news. That does not thwart the saints. We, God's messengers are going even in man-made prohibited areas. **Revelation 12:11**, describes us as loving not our lives unto death. This steadfastness of our faith leads to salvation of our souls (**1 Peter 1:9**). With this testimony of our faith, let us rejoice. These lawless days will end soon! Jesus is coming with our reward!
